Subject: Thanks for the support!

Hi {Friend's Name},

Thank you so much for donating to my Shower Strike fundraiser! I'm so thankful to have your support in bringing clean water to more people across the world. This campaign has taught me how easy it is to raise funds locally in order to change lives globally and I'm grateful to have you along on this mission with me!

Your donation means that schools will have higher attendance rates, disease rates in children will decrease, and families will have the opportunity to establish a permanent home and future...all because of clean water and your support

I can't thank you enough, but I will try... THANK YOU THANK YOU THANK YOU!!
