TESTIMONIALS FROM PAST STRIKERS

#WhyWeShowerStrike

"I believe everyone should be able to have access to clean water and all benefits that it provides - a chance for a healthy, successful and vibrant future."

GAYLA WHINERY, WELL AWARE VILLAGE MEMBER

"Because I believe what makes us special as human beings, is our capacity for compassion and empathy. I'm lucky I was born in a country where I never had to worry where my next meal would come from, or where I had to walk miles every day just to find water. Turning on a tap is something we don't even think about... but we should. Sharing what we have makes us richer, not poorer. I wish more people understood this!"

CORINNE PACKER, SHOWER STRIKER

"I participate in Shower Strike because is a simple - but meaningful - way to raise awareness about one of the most important issues in our world."

COURTNEY FATIGATO, SHOWER STRIKER

"I participate in Shower Strike because I come from a place where water is very scarce and what is available is not safe for drinking. Many children get waterborne diseases because we do not have clean water. I want to support Well Aware to enable them [to] take clean water to more places, especially in Africa."
